Marvin Prather

Note from the editor

This is a short note to remind you of the club meeting on July 17th, come on out and attend, get involved with the clubs activities.

Sorry to say, there will not be a newsletter until August. The transition is just about completed and this note is also to test the email addresses associated with it.

Also, don't forget the club picnic on July 11th.

Anybody know who this is????
